### Thank You Emergency Services!

We were delighted to welcome local fire officers from Witham Fire Station to visit our Reception and Nursery children this week. The fire officers spoke enthusiastically about their important role and shared key messages about general fire safety. The highlight for the children was having the exciting opportunity to try out the water hose! They were also thrilled to hear the loud sirens, which were incredibly loud!

Reception children were also fortunate to receive a visit from two police officers. PC Davey, who is Evans' dad in Ladybird class, visited the children alongside his Inspector. They talked to the children about their vital roles as police officers and showed them their uniforms and equipment. The children were especially excited to try on some of the uniform, which made the visit even more engaging and interactive.

Thank you to PC Davey, his Inspector and the fire fighters that attended from Witham Fire Station.

### Annual Parent Survey

Thank you for attending the Parent Consultation Appointments this week. It was lovely to see so many of you attend in person.

We greatly value your partnership in your child's education and believe that your feedback is essential to the ongoing development of our school. As part of our commitment to providing the best possible learning environment, we invite you to complete our annual school survey, which is quick and easy to complete. **The survey will remain open until Friday 13<sup>th</sup> February.**

Thank you in advance for taking the time to share your views with us.

## MiniMe Mindfulness

This week, Abbey from MiniMe Mindfulness visited each class in Reception, Year One and Year Two. The children started the session with some meditation techniques and then

Abbey read a story using positive affirmations, learning about what we say about ourselves - our words - are our affirmations. If we say words often enough, we will believe them - good or bad! The children then played affirmation Jenga!

## Car Parking

Unfortunately, we have had further complaints from local residents regarding parking, this time from residents in De Vere Close. Issues include parking on corners of roads and parking across resident's driveways, causing inconvenience and safety concerns. Please be considerate when parking. Again, your co-operation helps us maintain good relationships with our community and ensures the safety of all children and families.

Thank you for your co-operation
