Special Assemblies

This week, we have enjoyed some wonderful assemblies at school that have enriched our children's learning experiences. We began the week by exploring the meaning of Easter, led by Reverend Howard from St. Andrew's Church.

Yesterday, we were fortunate to welcome Libby Woodward from the Chelmsford Vineyard Church, who led a meaningful assembly reflecting on the significance of Easter, talking to the children about belief and trust. Be sure to ask our Year One and Two children about the fascinating experiment involving a plastic bag filled with water and some pencils! Our Reception children have also amazed us with their beautiful Easter performances this week. The children sang beautifully and made us all smile! Next week, we are looking forward to some more Easter activities including our popular Easter Eggstravaganza event.

Chelmsford Museum

On Friday last week, our Year One children had a fantastic time visiting Chelmsford Museum.

They learned what life was like long ago by pretending to be a cook, scullery maid, and governess, bringing history to life through role play. The children also discovered how toys have changed over time, had the chance to play with replica toys, and enjoyed taking part in an exciting scavenger hunt. Thank you to everyone involved in making this trip a huge success!

Hatfield Peverel Library Visit

Hedgehog Class visited Hatfield Peverel Library on Wednesday. The children not only enjoyed the walk to the library but also had the wonderful opportunity to learn more how the library works. They explored and shared a variety of books, sparking their curiosity and love of reading. Thank you to Mrs Sapiano for organising the visit, the parent helpers and the library staff for warmly accommodating us!

Next week, Squirrel Class will be visiting!

Staff News

We have sad news in that Mr Green, our SCS sports coach will be leaving us at Easter. He has been a valued member of our team for some time, and we will truly miss him. Mr Green has accepted a new role closer to home, and we wish him lots of success and happiness in his new adventure!

We are pleased to welcome Mr Howat, who will be joining us after Easter. Some of the children already know him from the external SCS gymnastics classes he runs after school on Mondays. We are excited to have him join us. Welcome, Mr Howat!
